☐ Hello everyone this is Uyuki.

☐ This is a HisaMako book! I've always really really wanted to release this!
I really like the unique atmosphere around Bucho and Mako so I tried to express that in this book.
The anime has a lot of HisaMako moments
So nice

☐ I poured all my love into this book!
I hope you can read until the end.

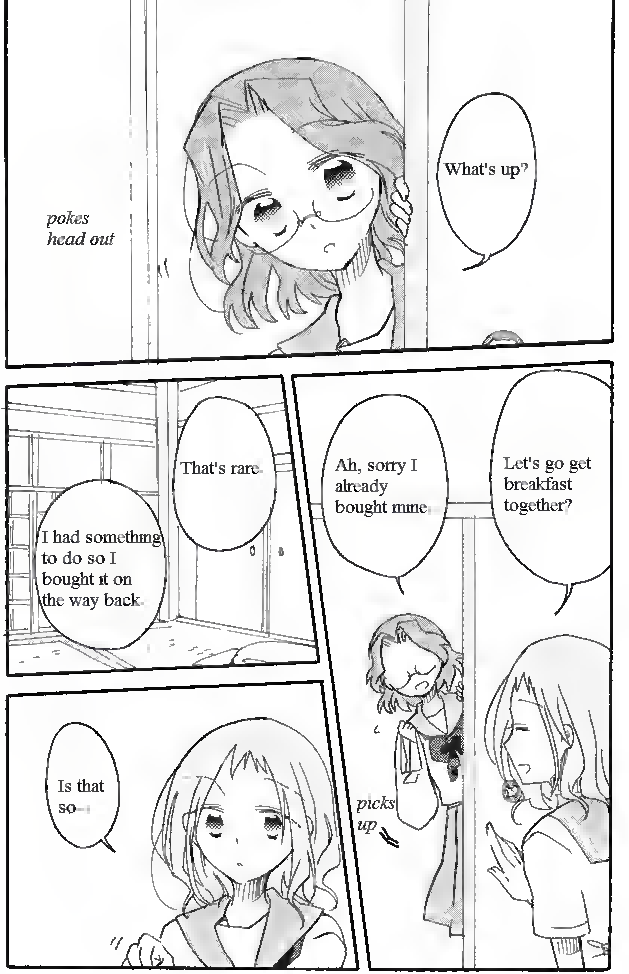
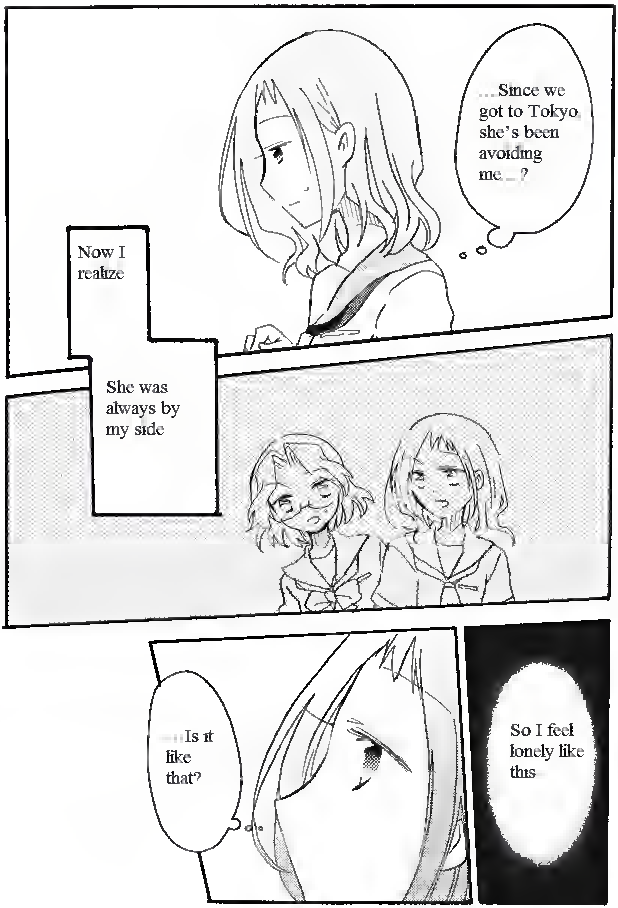
Mako—



pokes head out
What's up?
That's rare.
I had something to do so I bought it on the way back.
Ah, sorry I already bought mine.
Let's go get breakfast together?
picks up
Is that so.

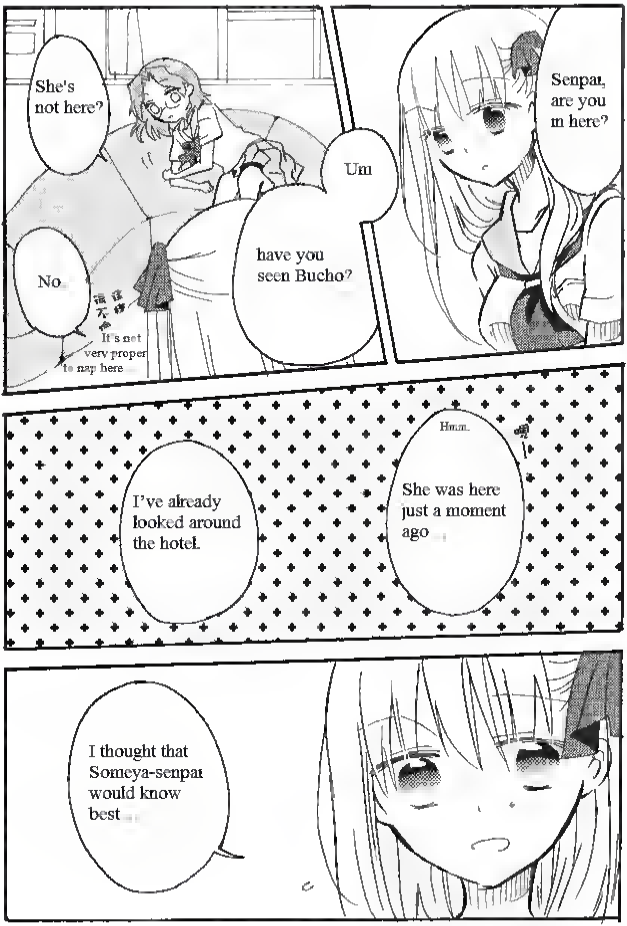


...Since we got to Tokyo, she's been avoiding me...?
Now I realize
She was always by my side
...Is it like that?
So I feel lonely like this

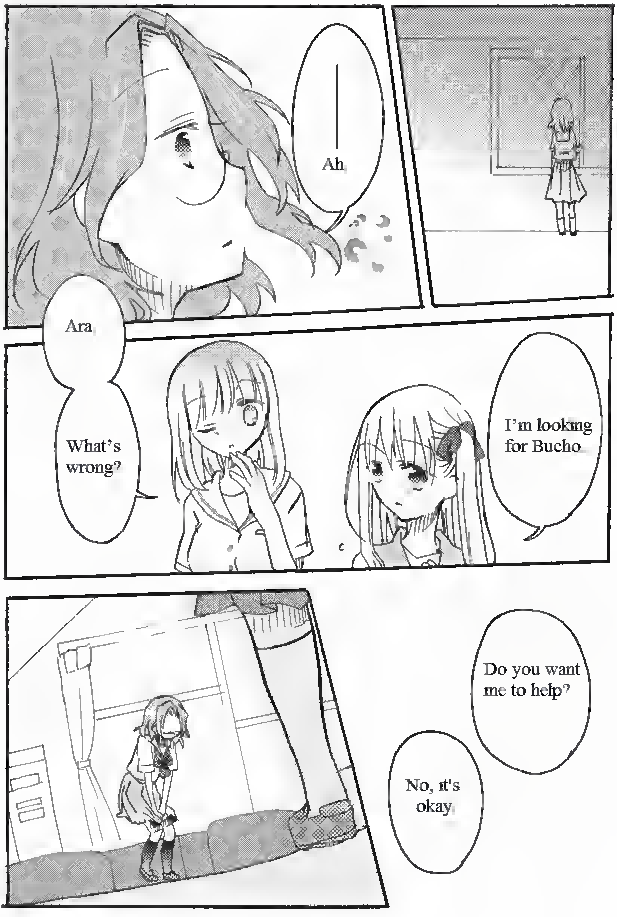
Yeah... I've been shunned
Ah
Are you by yourself?
There are lots of flowers here
You're right
Ah...
You seem to know a lot about flowers.
I'm just interested in trivia.
The name of these flowers means "supportive love."

touch
But the way the flowers lean on one another for support
really does resemble their meaning
Yeah

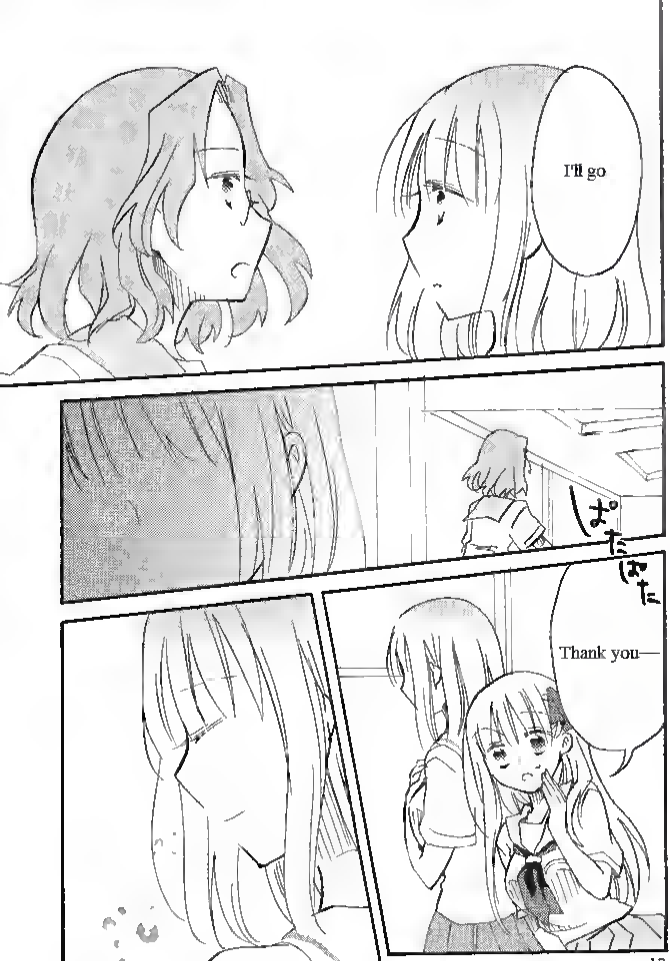
Even though
I don't want to do this
lies down
But there's no other way
—no other way
Someya-senpai



She's not here?
No...
It's not very proper to nap here...
Um...
have you seen Bucho?
Senpai, are you in here?
I've already looked around the hotel.
Hmm.
She was here just a moment ago...
I thought that Someya-senpai would know best...

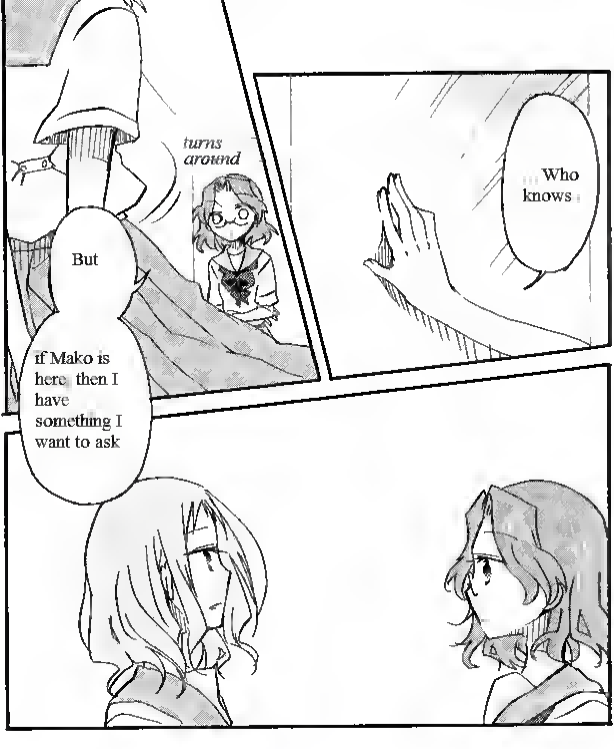


Ah
Ara
What's wrong?
I'm looking for Bucho
Do you want me to help?
No, it's okay



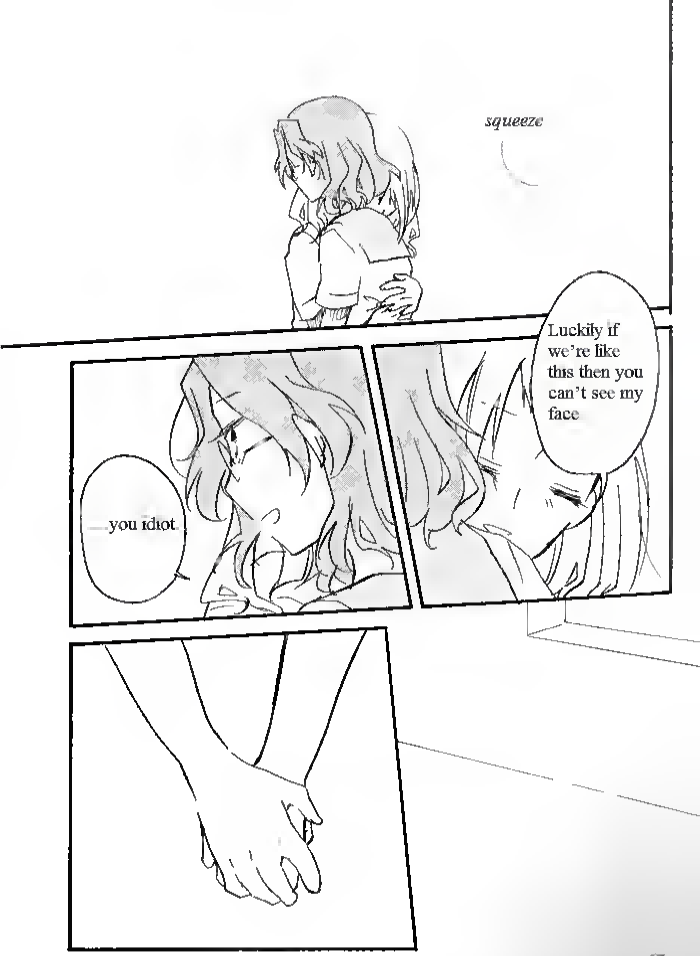
I'll go
ぱたぱた
ぱたぱた
Thank you—

Who are you waiting for?



Who knows
turns around
But
If Mako is here, then I have something I want to ask
Do you still like me?

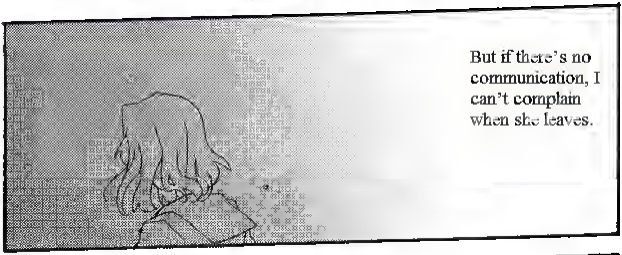
What are you saying all of a sudden!!
Sorry, I didn't think you'd react so strongly...
I feel the same

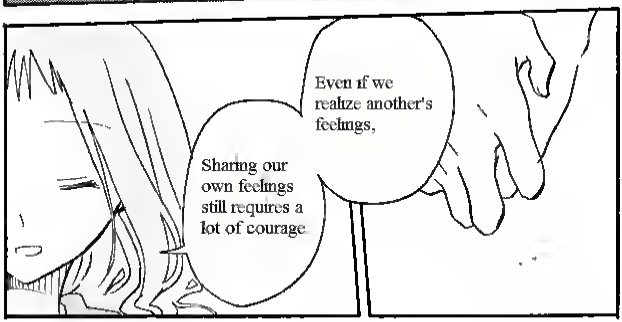


squeeze
Luckily if we're like this then you can't see my face
you idiot

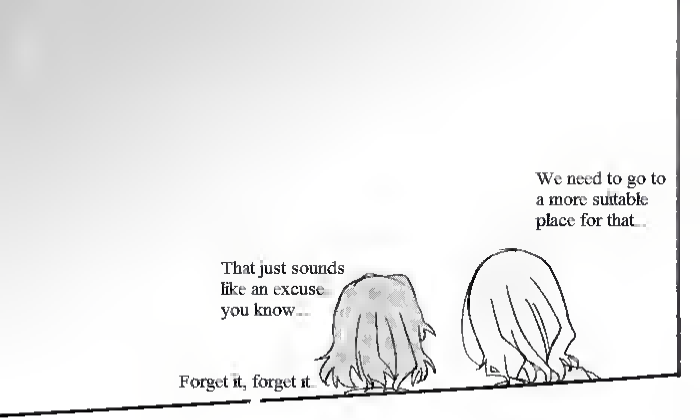
She's holding my hand
Was Nodoka looking for me?
Ah, yeah
Is Mako the only one who came looking for me?
Ah...
Probably...
Now I feel self-conscious

She makes me feel safe and secure just by being next to me.



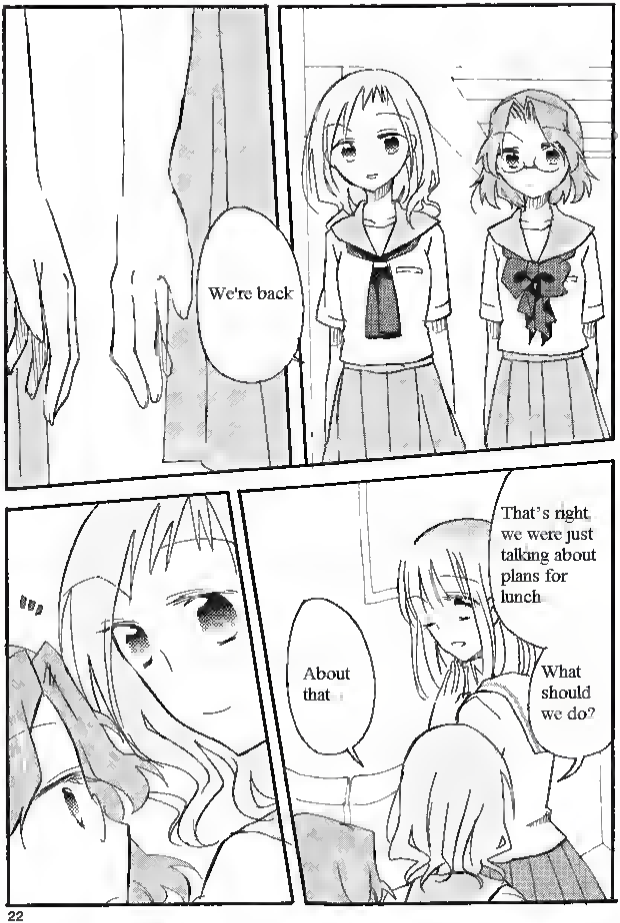


It's the same even if we reject the other party
You know, you haven't shared any feelings with me yet
Oh
surprised

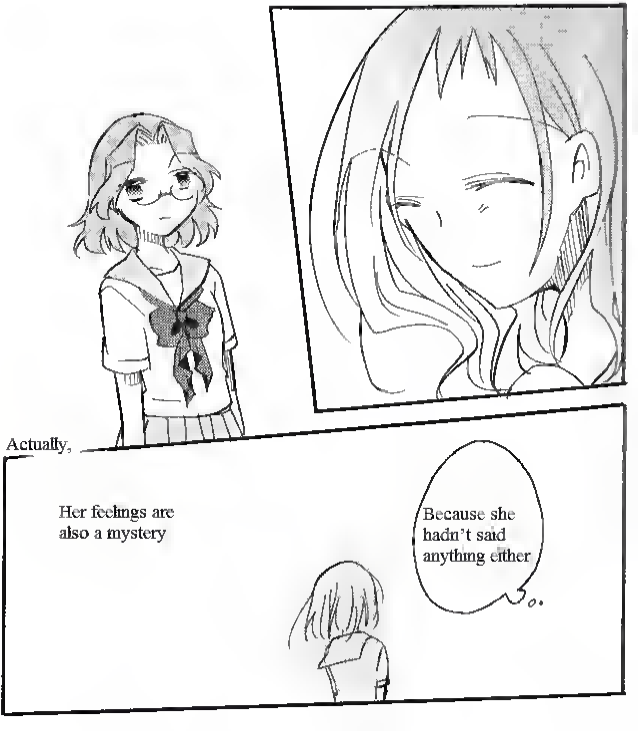


We need to go to a more suitable place for that...
That just sounds like an excuse you know...
Forget it, forget it.

Welcome back



We're back
That's right, we were just talking about plans for lunch
What should we do?
About that
...



Actually,
Her feelings are also a mystery
Because she hadn't said anything either
Mako

Let's eat breakfast together tomorrow.
Of course.

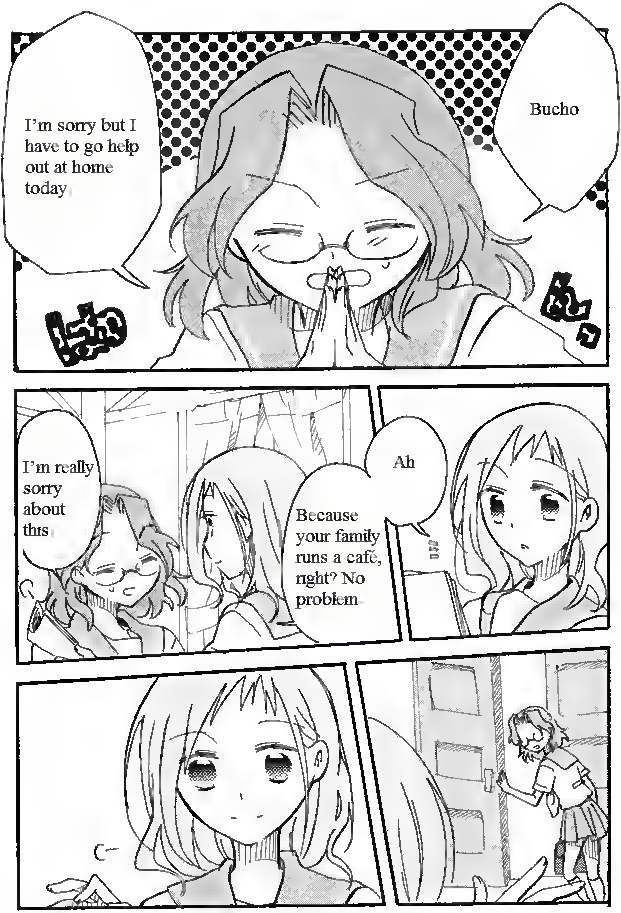
The next story comes from a guest artist, 841 (pixiv id=4110)

Thanks for the awesome HisaMako story!
So cute! It's super cuteee!

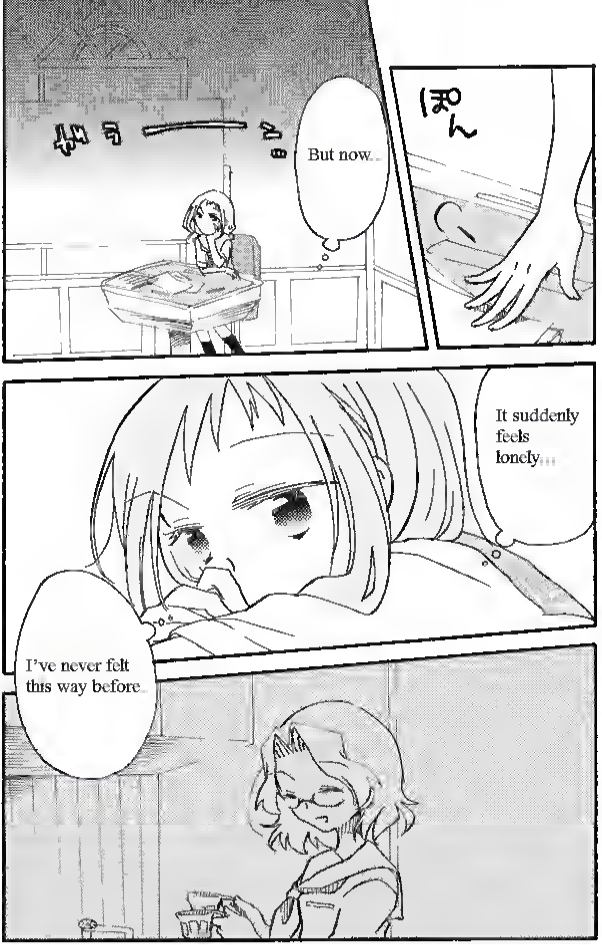
Let's eat lunch together.
Oh, it's you, Bucho.
Is the seat beside you free?
Mn, I do want some of your fried eggs.
Aren't you just here to steal my lunch?
Mako is really becoming a model wife.
Looks like your skills have improved again…
munch
munch
Thanks~
Ahhh
Here.
Open wide
You're really hard-working …
Ah, you noticed? There's just too much work for the student congress and mahjong club, so I hardly slept~…
Speaking of, you look really tired.

Yeah~ I'll do just that
You should take a nap
Hey!
Just for a little while...
Let me borrow your lap
fall down
Wah! What's going on?
She doesn't know my feelings at all.
Honestly..
Yea~...
Fine, only for a little while.
I just don't know what to do with her.....
06 PM
sigh

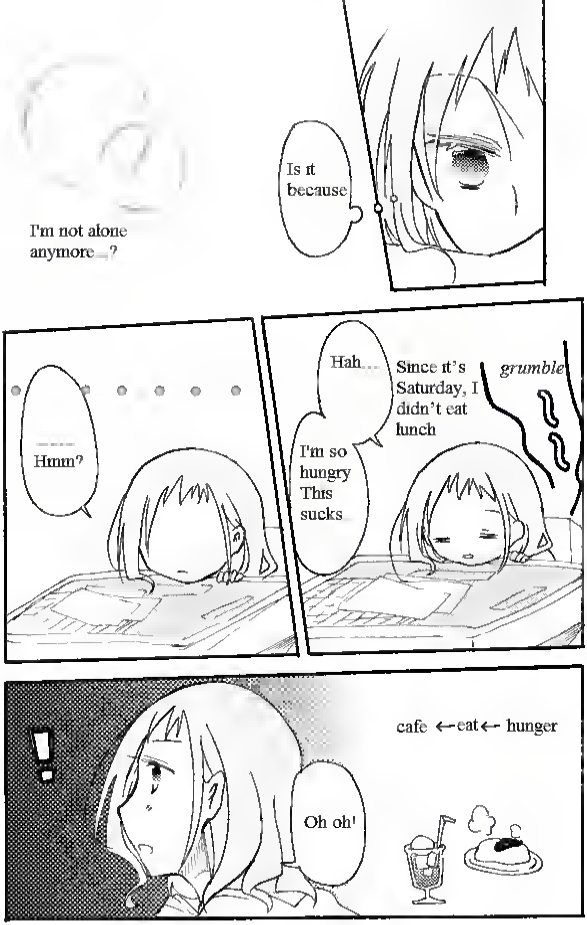
The following story was a free give-away doujin at some event.
Hisa is a second year, and Mako is a first year.



I'm sorry but I have to go help out at home today
Bucho
Bucho
Bucho
I'm really sorry about this
Because your family runs a cafe, right? No problem
Ah
Ah



But now...
ぽん
It suddenly feels lonely...
I've never felt this way before.



I'm not alone anymore...?
Is it because
Hmm?
Hah...
Since it's Saturday, I didn't eat lunch
grumble
I'm so hungry This sucks
cafe ←eat← hunger
Oh oh!

Oh!
I can find the address from the school's directory
Okay, let's go—!
Here it is
Welcome!

Wah!
Ah
What kind of nonsense are you sprouting?
grin
Ah... don't tell me I came just in time?
It's just me there I got hungry so I came to eat.
Anyways, why are you here? What about the club?

Guess what the reason is~

Now I'm kind of pissed

Meanie

Nope~Nope~
